PROENERGY DONATES RECORD BREAKING AMOUNT TO LOCAL UNITED WAY CAMPAIGN

ProEnergy Services recently announced contributions exceeding \$337,000 to the 2010-2011 Sedalia-Pettis County United Way. This is the largest single industrial donation in local United Way history. Half of the gift came from ProEnergy employees, with Jeff and Cara Canon, owners of ProEnergy, providing a matching contribution.

“We feel blessed to have such dedicated and generous employees,” said Cara Canon. “They have demonstrated that great things happen when we all unite together. This will have a major impact in our community.”

Sedalia-Pettis County United Way provides funding to 24 local, charitable organizations. Every dollar donated stays in Pettis County.
